Dock Associates and Clamp Operators

Job Opportunities in Ontario and Jurupa Valley, CA, U.S.

Neovia Logistics Services

For over 20 years, Neovia has partnered with leading companies in the automotive, industrial, aerospace, and technology sectors to solve complex logistical challenges. We work behind-the-scenes with some of the most recognizable brands in the world to manage, grow, and transform their supply chain operations.

As part of the Neovia team, the work you do keeps vehicles on the road, helps industrial leaders operate safely, and supplies essential businesses in our communities with the goods we all need every day. Grow your career doing work that matters as a crucial member of our safe, organized, and supportive team of professionals.

Role

Dock Associates and Clamp Operators are essential partners at Neovia and are the foundation of our supply chain operations. Your work will support logistics and supply chain, material management, and distribution/ transportation efforts.

Benefits (U.S. Only)

- Paid time off and holiday pay
- Medical, dental, and vision insurance
- Telemedicine and wellness programs
- 401k, life insurance, disability, and EAP
- Opportunities and training to grow your career with Neovia

Responsibilities

- Receipt, shipment, recording, and disbursement of goods
- Loading and unloading trailers for Dock Associates
- Use equipment for weighing, banding, wrapping, and packaging
- Safely operate motorized equipment for Warehouse Associates
- Occasionally assist with clerical and documentation duties

Qualifications

- Basic mathematical skills
- Ability to read/write and interpret documents
- Warehouse experience preferred
- Logistics experience preferred
- Ability to use ladder hand truck and dolly

Career growth in the fast lane.
