

Introducción a ParentVue

Portal web para padres y estudiantes del
Distrito Escolar Unificado de Rialto

Synergy ParentVue

Synergy es el Sistema de Información Estudiantil o la base de datos que se utiliza para recopilar y procesar la información de los estudiantes.

ParentVue es el portal web utilizado por los padres para acceder y actualizar la información de los estudiantes dentro de la base de datos. StudentVue es la versión para estudiantes del portal web.

Algunas características clave incluyen el seguimiento de la asistencia, las tareas, las calificaciones, los puntajes de las pruebas, la verificación de registro en línea y la comunicación con los maestros y el personal de la escuela.

Obtener acceso a ParentVue

Los padres pueden crear una cuenta al obtener una clave de activación. Necesitará una dirección de correo electrónico válida para registrarse. Una vez que inicie sesión, podrá ver toda su información ya en la base de datos para cada uno de sus estudiantes.

La clave de activación de ParentVue está disponible:

- Secretaria o empleado de la oficina escolar
- Centro de registro cuando inscribe por primera vez a los estudiantes en el distrito
- Con la carta de registro en línea si aún no tiene una cuenta.
