

## EHS CELEBRATES FOURTH ANNIVERSARY

**EISENHOWER MANY YEARS AGO**  
This view is where EHS is now located.

**714 Enrolled, 114 Seniors, 278 Juniors,  
322 Sophomores during first year at School**

### **Classes Held at The Rialto Jr. High Site**

Eisenhower High, like just about everything in Rialto was an orange grove just five short years ago. Many things have happened to this former orange grove, pictured in the accompanying photograph taken in early 1955, since that rainy day four years ago when the high school first opened for occupancy.

During the first two months of 1959, the Eagles were forced to set up housekeeping at Rialto Junior High, while the workmen put the finishing touches on our present site. The enrollment that first year was only 714. The senior class boasted 114 in number while totaled 278 and 322 respectively.

EHS's debut on the gridiron will long be remembered. Starting from scratch and with little to work with, Coach Milt Smaha and his assistant's were faced with what seemed to be a long hard season. Many of the experts were surprised when Ike posted a 13-6 victory over a new Riverside school, Rubidoux. Some even predicted that the Eagles

### **STOMP TONIGHT!**

"Miserlou" and the "Torquays" come to Eisenhower High tonight as the post-lude to the Eagle-Corona football rumble.

Doors open at 10:00 p.m. and close at 12:00 midnight in this one night engagement. Price is 50¢ with an Associated Student Body Card, and 75¢ without. Alumni are welcome!

(Continued on Page 2)

might win a few more. To be exact, this group of inexperienced footballers, without a single varsity letterman, went on to win nine more games and come within a touchdown of winning the CIF small school championship ...

### **Junior Optimists Take Over S. B. Government**

For the past week and the next two days, November 12 to 18 the Optimist Club of San Bernardino has been sponsoring the 26th annual Youth Appreciation Week.

The Junior Optimist, a club here at Eisenhower, and Pacific and also San Bernardino high schools, combined with the other two, to take over the city government yesterday. All three schools choose about ten students to take over the offices of San Bernardino city officials.

To start the day the students spent a few hours with the official he took the place of, to learn the responsibilities and problems encountered in the different jobs. Following this session they had the chance to perform the duties of his job.

Following is a list of the jobs and the students that had the opportunity to fill

them; Mayor John Blair; Chief Bldg. Inspector, Mike Wiltse; City Clerk, Dick Wright; Engineering Dept., Tim Scheppers; Librarian, Paulett  
(Continued on Page 2)

### **Campus Deb Stomp Features The Majestics**

November 24th is the date, 9 'til 1 is the time, and the WHAT? — A MAJESTIC STOMP! Sponsored by the Harris' B.M.O.C. and Campus Deb Councils, this event will highlight the club activities for this year.

The Stomp, which will feature the Majestics, will be held at the San Bernardino Women's Club on "E" Street. Dress is school clothes, of course. So everybody — boys and

**EDITORIAL :**

**A Thanksgiving Thought**

Thanksgiving time is here again but with a new set of circumstances. In view of the present world situation one has a number of things for which to be grateful that before may not have seemed so important. It is for this reason that we are publishing a simple prayer of thanksgiving. True, it is a primary prayer — one we learned in elementary school — but with our adult minds we can now attach a deeper significance of gratitude to its simple words.

“Thank you for the world so sweet.  
 Thank you for the food we eat.  
 Thank you for the birds that sing.  
 Thank you, God, for everything.”

**HEAD CUSTODIAN LIKES EISENHOWER**

“We’re pretty happy about everything except the food fights, because broken dishes and things cost extra money,” says Mr. Walter Fenwick, head custodian at E.H.S. Mr. Fenwick emphasized that occurrences like these give a bad impression to EHS visitors. “But this is a real nice bunch of kids to be around,” he added. He also made it plain that he “likes girls”.

Before coming to Eisenhower High, Mr. Fenwick worked at Rialto Junior High for three years. He instructs an Adult Education course in custodianship, and like his work very much.

Besides Mr. Fenwick, there are thirteen other custodians at Ike High. Most of the men work at night. The other custodians are: Charles Agard, Burley Anderson, Gloyd Dunn, Judson Fisk, William Fritsche, Albert Haynes, Eddie Lockert, Secario Lopez,

Raymond Kouhler, Martin Thome, Robert Tiffany, Harry Wineland and Dorothy Rorobaugh. Mrs. Rorobaugh is often seen pushing a cart with her little daughter tagging along behind.

**Stomp Tonight!**

(Continued from Page 1)

Like natch, Ike’s share of the joint Booster - Club - Junior class stomp goes for the fourth annual Junior - Senior Prom — an ever nearing event. Two weeks ago, in the first Co-op affair with the Cascades making the racket that time, a creditable \$78 (approximate) was the take home share for the class of “64.”

For the dual purposes of health and general appearances, boys must wear “collared shirts” and that doesn’t mean just “upon entering.”

**Student Council Minutes Eyeing The Eagles . . .**

Meeting was opened by Randy Wheaton at 9:05. The minutes for the last meeting read and approved. Purchase orders read and approved. Boyce Gire, Paulette Chmielewski and Jeff Clark Co-Chairmans in charge of tickets for T.C.L. Dance December 1, 8:30-11:30.

Randy explained a motion picture history of the T.C.L. events. Council voted on all things to be included in film.

A motion to allow Key Club to have car wash Nov. 10 was approved.

Gym symbol was discussed. Council chose a circle with an eagle swooping down through the circle.

Corona game — Programs to be sold

by the rally committee. Boyce Gire will be in charge of flag raising.

The Christmas dance will be Dec. 21 after the alumni game. Mary Blair made a motion to split the cost of the Christmas dance!

The meeting was adjourned at 9:45 the remainder of the period was spent collecting A.U.F. money.

**Optimists ...**

Chmielewski; Police Chief, Mike Murray; Street Dept., Tom Sawyer; Civil Defense, Ed Congdon; First Ward, Dave Mehl; Fourth Ward, Duke Elliott.

**Soph Class President Likes Track, Stomps**

The Sophomore Class elected a 5’ 9’, blue eyed, brown haired boy named Scotty Duncan for their President.

Scotty has a high “B” average in his school work. He is majoring in Math-Science and his favorite subject is Geometry. Some day Scotty wishes to

girls — pick up a date and drag him or her along. Only couples will be admitted, and tickets are on sale at school from Tim Russell, Paulette Chmielewski, Tina Stroh, and Campus Deb Board members. The price is \$1.25 a couple.

attend U.S.C.

Scotty goes out for track as his sport. He also belongs to the Latin Club.

Water skiing is his favorite sport and hobby. He knows how to double ski and single ski.

You can usually see Scotty walking around with a 5’4” brown haired, brown eyed girl named Pam Parlette. She seems to be his favorite girl.

Although Pam has brown eyes, Scotty’s favorite color is green.

Like most teenagers, Scotty likes to go to stomps. He dances very well and it seems that his favorite record is “The Lonely Bull.”

**BEST SHOP PROJECT WILL BE AWARDED \$600 PRIZE**

The Benwell Foundation has contributed a 3/8” Sunbeam electric drill with a complete set of drills to EHS. This drill is to be awarded to a student in Industrial Arts who has developed a project which will be useful for the school or for a trade the student may

wish to enter. Several students from wood, metal, electronics, and graphic arts shops are under consideration for this prize valued at \$60.

Last year this prize was awarded to Gary Chaffin, who built a demonstration cabinet for the electric shop.

## 'KAR KORNER'

By Allen Richardson

Our car this week is a '58 MG Magnet. Sanford Josnson, an Eisenhower junior, is the proud owner of this hot little (V8) powered bomb. It is a 4 door and has very nice interior. Maroon leather bucket seats add to the beauty and comfort of the car. Sanford's "Dash" is made of polished walnut with a very nice finish. A radio and heater are two more features that make things nice on a cold morning. The radio has dual speakers. The exterior is black and has white side wall tires. Two things that set off the exterior are dull fender mirrors and a rechromed grill and bumpers.

Two single barrel carburetors on the little (V8) make its floor shift four-speed box turn even faster. Sanford has a

stick transmission. Seat belts are a safety feature Sanford has installed in his Magnet.

Sanford plans to put in some new heater hoses and replace his old tires with 640-15's to save rubber.

## HI-TRI HAPPENINGS

While most teens were lying lazily at home drinking codes and watching Nixon and Brown's heated battle on TV during election night, an important HI-Tri meeting was going on.

The most timely element discussed was the candy sale to be held next week. A thousand See's Suckers were ordered and will be sold by the members November 19 through the 21st. The money earned will be used to give a Christmas party for the mentally retarded children at a school in Fontana.

However, the highlight of the evening was the planning of this month's social event — a hayride. The date of the big event is Friday evening, November 30, in Redlands. The price is \$1.00 per person and each girl is to bring food for herself and her date. A fireplace for barbecuing hamburgers and hot dogs will be available. Every member must pay her dues by November 20 to attend the hayride.

# ona In Grid Finale

markably fit. Boyce Gire—who did a herculean job in the 20-7 loss at Montclair—left half, and Angelo Madrigal, and Ken Heldt, right half, and full John Blair remained in

weight to those drifting theories about future superiority.

Ironically, no varsity aggregate from Eisenhower has ever closed any sport with a victory. In 1959, '60, and '61, the free-lance years each one, the business of California Interscholastic playoffs—a play-till-you-get-beat sort of thing—has always terminated on a losing note, as only by taking the CIF championship can an entrant capture its finale. And of course, a year ago, in Ike's initial TCL effort, no crowns were netted; and only first place schools are considered.

## ionship Run, th 8 - 1 Record

to post a victory over a second division Corona eleven to clinch at least a tie for the TCL flag. The Eagles are currently tied with Upland and Bonita for top spot.

Irv Rager copped Ike's first scoring drive, up the middle for the final three yards late in the first quarter.

The Eagles second tally came midway through the second stanza, as Ron Brehm carried the ball from the seven.

Carl Gunn accounted a final TD going 68 yards around left end for the score. Gunn had a similar run of 70 yards called back on clipping penalty.

Coach King's defense turned in another brilliant performance completely balling up the Cavalier attack and recovering a couple of fumbles to add to the Eagle's cause. Andy Hernandez was cited for an all out performance at right tackle.

LE—Peeler; RH—Rudolph; LG—Grenfell; E—Boitel; RL LG—Grenfell; E—Boitel; RT QB—Brehn; LH—Elenburg; FB—Gunn; RT—Rager.

Schultz, Furnas, Hernandez.
