

Rialto Unified Crisis Response Guidelines

When a student Reportsimminent harm to self or harm to others self-harm or suicidal ideationexperiencing abuse and/or neglectproblems with mental health and substance abuseproblems with anxiety and depression over the COVID-19 Pandemic
<p>Please follow these steps</p> 	<ol style="list-style-type: none"> 1. First, stay calm, and utilize reflective listening while in the critical moment 2. Call 911 3. Ask them if they are thinking about killing themselves. This will not put the idea into their head or make it more likely that they will attempt suicide. 4. Ask student if they have any weapons or objects on their person that they can use to harm to themselves and/or others. 5. Listen without judging and show you care. 6. Stay connected with the person or make sure the person is in a private, secure place with another caring person until you can get further help. 7. Contact the parent or guardian. 	<ol style="list-style-type: none"> 1. First, stay calm, and utilize reflective listening while in the critical moment 2. Call 911 3.
