

# AP Psychology Summer 2022 Assignment

**Ms. Anderson**

Welcome to AP Psychology! I am ecstatic that you have decided to join this class and chosen to challenge yourself with the fascinating world of psychology. I am certain that you will find this course worthwhile and personally relevant. Although it is the summer, there is work to be done. Please note, AP Psychology is an elective, college-level course with higher student expectations than most courses taken by high school students. With that being said, it is imperative that we get a jump start on the AP Psychology curriculum. It is mandatory and in your best interest to complete the summer assignment. Your summer assignment consists of THREE mini-assignments. Each assignment will serve a specific purpose that will assist you throughout the school year and aid in your preparations for the AP Exam. **Assignments are to be turned in by July 30, 2022 to Google**

## **Assignment #1 - “Allow Me To Introduce Myself”**

This assignment is designed for me to get to you know you prior to the start of the school year, by July 30. You are to use well written, complete sentences, do not abbreviate words, (i.e. language you would use on Twitter, text messages, the hallway, etc.), and use spell check. This is a professional communication similar to what you would use with a college professor or employer. You may complete the assignment in the form of a slide show, a video, or a paper.

- \* Introduce yourself (include a photo)
- \* What are your hobbies? What do you like to do for fun?
- \* What extra-curricular activities are you involved or planning to be involved in?
- \* Do you have a job? What is it? Do you like it? Is this something you would like to continue as a career?
- \* What are your goals/plans post-high school?
- \* Why are you taking AP Psychology? What are you looking forward to in this class? What areas of psychology interest you?
- \* Are you enrolled in other AP courses? Have you taken other AP courses throughout your high school career?
- \* How will you manage your time throughout this upcoming school year?
- \* What else should I know about you so that I have insight into you as a person before the next school year begins?

Keep in mind that psychology is everywhere. Everything we do, think, and feel can be related back to psychology. Have a great summer!
