Rialto Unified School District's

The Clothing Tree

The Clothing Tree Mission

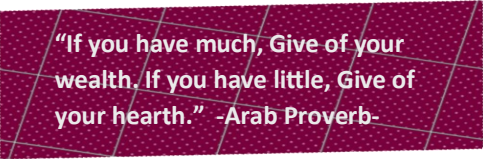

With the support of our District employees, community, and at no cost to our students, The Clothing Tree provides students in need with everyday clothes, shoes and hygiene items.

We believe that by providing this much needed assistance, we promote a much positive experience for all students in the Rialto Unified School District .

What is The Clothing Tree?

The Clothing Tree is a collaborative effort between the Rialto Unified School District and the Community to support students and families who need emergency supplies and/or attire. To identify these students, Student Services and Child Welfare and Attendance, works hand in hand with school Administrators, Counselors, Teachers, and Support Staff to identify these students and families.

Together we collect clean, gently used and new clothing as well as brand new shoes, socks, undergarments, hygiene kits, backpacks with school supplies and other related accessories.

"If you have much, Give of your wealth. If you have little, Give of your hearth." -Arab Proverb-

A Unique Experience

The Clothing Tree provides a unique atmosphere in which the students and their family members can find the clothing and items that they need. We focus on maintaining privacy and dignity when serving those who come to us for help. For this reason, students and family members are welcomed, **BY APPOINTMENT ONLY.** Our Student Services and Child Welfare and Attendance Staff will work one-on-one with you to help meet your needs.
