

## Secondary Reclassification Criteria 2023 - 2024

Reclassification is the process that determines whether an English Learner should be redesignated as Fluent English Proficient (R-FEP). Reclassification relies on evidence demonstrating that the student has achieved a level of English proficiency comparable to that of average native speakers of English in the district, and is achieving and sustaining a level of academic achievement comparable with students whose native language is English.

District reclassification policies and procedures are aligned with California Department of Education guidelines. Multiple criteria are utilized to establish that the student is ready to be reclassified:
