Dear Fitzgerald Fox Family,

I am delighted to take this opportunity to introduce myself as the Interim Principal of Fitzgerald Elementary! I am thrilled to be joining such a dedicated staff and community that make Fitzgerald Elementary a great place for students to learn and grow.

Allow me to share a bit about myself: My name is Kimberly Rosas and I bring with me over 12 years of experience in education, with a strong passion for academic excellence, personal growth, and a safe and inclusive learning environment. I have previously served as an assistant principal, department chair, instructional coach, and teacher in Los Angeles Unified and most recently in the Rialto Unified school district. I have a Master's in Education from the University of California, Los Angeles and I'm currently in a doctoral program through California Baptist University for Organizational Leadership. I grew up in the Inland Empire and live in the area with my family. My husband and I have one son and as a family we enjoy traveling, hiking, and family movie nights. Personally, I enjoy reading, painting and cooking.

My goal is to build upon the existing culture of excellence and achievement and to work collaboratively with our exceptional staff to provide an enriching educational experience for all students. I believe in fostering a positive and inclusive school culture that celebrates student success in all areas, promotes positive citizenship, and values the unique talents and contributions of every individual. Open communication and collaboration are essential to student
