We are so excited to have our amazing scholars back at school **for in-person learning**. As we enter into the 2021-2022 academic school year, it is truly important that **we work together as one** to ensure our scholars have the **safest and healthiest transition** possible as they return. The health and safety of all of our school community stakeholders is our number one priority.

In order to provide a safe, nurturing and engaging learning environment for our scholars, Werner must make certain that we have all the necessary precautions established. Therefore, listed below are the most important adjustments for the betterment of each scholar:

- **All scholars must have a mask** on to enter campus and must be worn throughout the school day. Masks **may only be removed to eat breakfast & lunch, and when playing outside** during recess, lunch, and physical education.
- **All adults** on Werner’s campus **will be required to wear a mask at all times**, including arrival and dismissal times of scholars.
- Scholars **may arrive to Werner at 7:30 am**. Please do not leave any scholar unattended until temperature has been taken. In addition, students may not be dropped off prior to 7:30 am.
- Scholars should be **picked up immediately after dismissal** by parent/guardian or caregiver.
- **Breakfast and lunch will be served to all** of our scholars. We will be reducing the number of scholars eating inside of the cafeteria when the weather permits.
- Until further notice, **parent volunteers will not be allowed** on-campus.
- PLEASE make sure **Werner has all of your updated phone numbers**. California’s Education Code requires that all parents/guardians provide schools with updated and working phone numbers.
- Scholars are strongly encouraged to **bring a refillable water bottle** to school. Werner has refillable water dispensing stations for our scholars.
- If your scholar has their **Chromebook or hard cover textbooks** from the 2020-2021 academic school year, please return them to Werner ASAP.

\*Mark your calendars to join us at our **Back to School Night on August 12<sup>th</sup>**. More information will be announced at a later time.

Werner Elementary School believes in a **“village” mentality** and will do whatever is necessary for our scholars to maximize their talent and potential. We operate using **Multi-Tiered System of Support (MTSS)** which affords equitable access and opportunity for all students. Though we cannot predict what the future may **hold in regards to COVID19**, our staff members at Werner are prepared to address any challenge using parent collaboration and district and community resources. In addition, we will remain committed to **developing the “whole” child** and providing our scholars with the academic, behavior, and social-emotional support needed to ensure their academic journey is fulfilling.

Thank you for your ongoing support to make **Werner a Shining Example of Excellence!**

In Service,

Dr. Ayanna Balogun
