Site Report

- Mrs. Garcia explained the purpose of ELAC.
- Mrs. Garcia went over the roles and responsibilities of ELAC members and officers.
- Mrs. Garcia presented the proposed ELAC meeting dates for the 2021-2022 school year. There are five days scheduled for this year: 9-21-21, 11-16-21, 2-1-22, 3-29-22, and 5-17-22.
- Mrs. Garcia reviewed the iReady Diagnostic data for the assessment administered in August/September. She discussed that English Learners scored well below the overall school average. She also discussed that Kolb is working to address these deficiencies:
 - Providing teacher PD on language objectives and other SIOP instructional strategies
 - Providing interventions for English learner students
 - Conducting quarterly monitoring and goal setting sessions with EL students
- Mrs. Garcia presented the Title I budget for the current year. She explained that within the budget there are allowances for the aforementioned strategies to be implemented.

New Business

- Unfortunately, there were only two parents who remained for the entirety of the ELAC meeting. And, neither of the two were interested in being considered for the officer role of President. However, Mrs. Inigo did agree to be the DELAC representative and Mrs. Rangel agreed to be the alternate so that Kolb would have representation at the DELAC meetings.
- Mrs. Garcia explained that Kolb follows the tenets of the Greene Act which requires that the meeting notice and agenda be posted 72 hours in advance of the meeting, etc.
- Mrs. Garcia jointly reviewed and discussed the school plan for student achievement with the parents present. She highlighted in particular the items that pertained to the English learners (i.e., interventions, EL monitoring, etc.).

District Reports

- DELAC –No one was present to report out about the last DELAC meeting.
