Following the presentation, the Board held the second of two statutorily required hearings to received input from the community on the trustee-area map creation process, pursuant to Elections Code section 10010(a)(1).

On November 10, 2021, the District timely published proposed trustee area maps and potential election sequencing on the District’s website for consideration by the Board and the community. On November 17, 2021, the District’s demographers presented the proposed trustee area maps to the Board. Following the presentation, the Board held the first of two statutorily required public hearings to receive community input on the proposed trustee area maps, pursuant to Elections Code section 10010(a)(2).

On December 8, 2021, the District again timely published proposed trustee area maps and potential election sequencing on the District’s website for consideration by the Board and the community. On December 15, 2021, the District’s demographers presented the proposed trustee area maps to the Board.
