# ENROLLMENT PROCESS 2024-2025

Lena M. Preston Elementary

Site Program Manager Maira Rojas Valdez

Assistant Site Coordinator Samantha A. Choto

PARENT PORTAL

- This will be the first page you see
- Parent Portal is in English
- To Translate – Use the Portal Translation Feature, located in the bottom right of the website
- If previously applied you will need the email and password you used previously it is very important that you do not create a new one as it can delay your students application submission.
- If this is your first year applying please ensure you use a reliable email and remember/ save password as you will need it every year to reapply.

think TOGETHER

Create Account or Lo...

Welcome to the Think Together student enrollment portal! To begin, please provide your e-mail address, or check the box if you would prefer to use your mobile number instead.

Once you hit "verify", you will be able to access the enrollment form to get your student(s) signed up for Think Together!

This page does not enroll you and your child - it only registers you to the portal where you will be able to enroll.

PAGE 3

On this page you will see your students information. Information should be already prefilled. If anything with the ***red asterix*** is missing please fill. Student ID section for some reason does not have that red indication but it is important for students records please fill as well.

PAGE 4

On this page please ensure all parents/guardians are added. Anything with the *red asterix* please fill out. This page is not for Emergency contacts

Parent/Legal Guardian #1

* Legal First Name

* Legal Last Name

* Relationship to student

* Does this person live with the student?

Home Phone

* Cell Phone

Work Phone (including extension is necessary)

* Please select a primary phone

Mobile

* Email

* You can also contact me via text

Yes

Place of Employment

* Does the student have a second Parent/Legal Guardian?

Yes

PAGE 5/6/7

Page 5
This page is to add anyone who is **not authorized** to pick up your student. On this page you can also upload any important documents that support non-authorization.

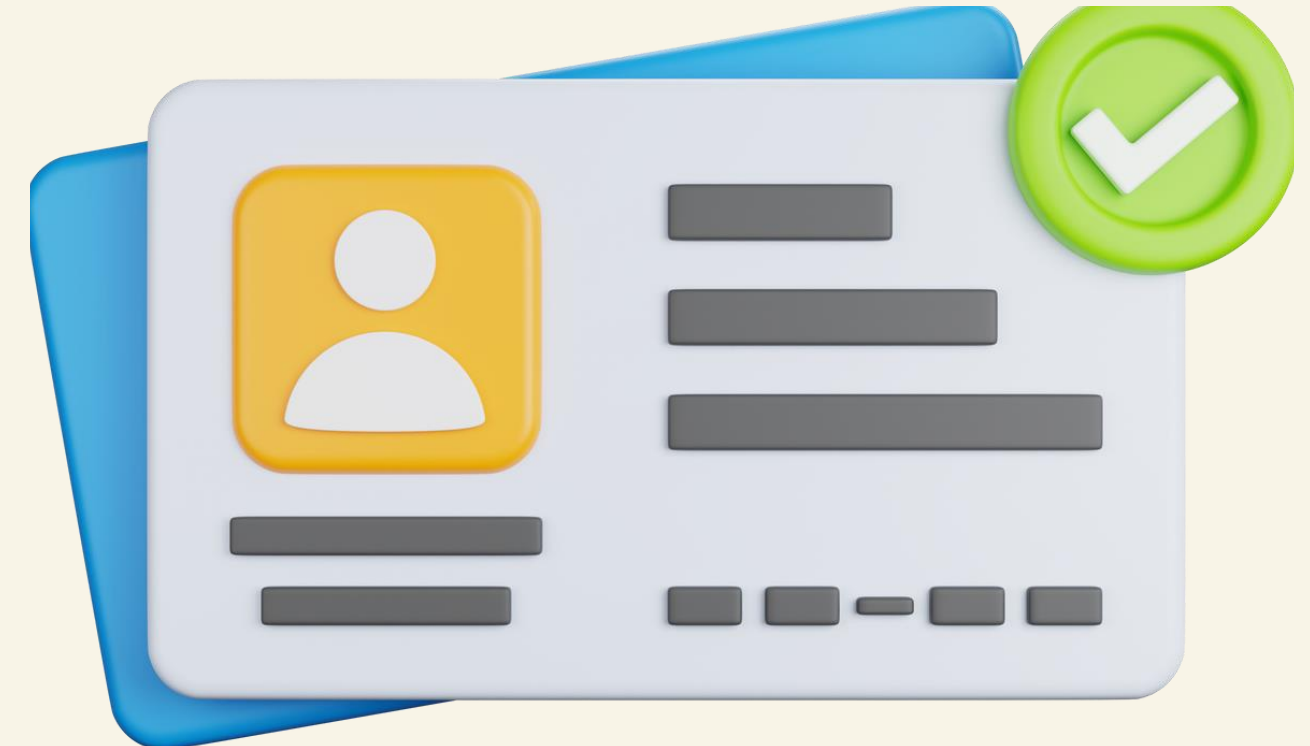

Page 6
On this page you would update any medical information as well as additional student info.

Page 7
Is our acknowledgment page were you will agree to Think Together Standards for Parents and Students. At the end you will need to type your full name and once complete you can submit your students application!
(If you have more then one student you will repeat this process)

AFTER SUBMITTING APPLICATION

The screen will show your Emergency Contacts for your students. Please ensure you take the time to add anyone who might pick up your student next school year. Reminder they **must be 18 years or older** and have a state issued ID that can prove they are at least 18 years of age.
