Karena Hutchens
Assistant Principal

Dear Parent/Guardian:

April 2024

There are many ways to measure your child's learning. Your child's teacher uses report card grades, classroom work, teacher observations, and end-of-year statewide test results to get a complete picture of your child's learning. Each year, students participate in the California Assessment of Student Performance and Progress (CAASPP). Your child will take the following tests, depending on their grade level or instructional program:

- Smarter Balanced Summative Assessments for English language arts and math, required tests in grades 3–8 and 11.
- California Science Test (CAST), a required test in grades 5 and 8 and once in high school.

Please see the attached testing schedule.

You are an important part of your child's education. To make sure your child feels comfortable taking the tests, you can do the following:

- Explain to your child that these tests are used as tools to help them learn, and that they should not be anxious or scared.
- Remind your child that you and their teacher want them to try their very best and are there to help, every step of the way.
- Explore the practice tests with your child on the CAASPP Online Practice and Training Tests web page <https://www.caaspp.org/practice-and-training/index.html> so they can become familiar with the platform and setup of the tests.

You will receive your child's results at or before the beginning of the next school year in Parent Vue. The results will identify where your child is doing well or needs more help, so you can better support their learning at home and teachers can better support their learning in the classroom.

To learn more about these tests go to the CAASPP Starting Smarter website at ca.startingsmarter.org, or review the CDE Parent Guides to Understanding web page at www.cde.ca.gov/ta/tg/ca/parentguidetounderstand.asp.

If you have questions, please contact Mrs. Punchur at Boyd Elementary School at 909-820-7929 or email ealegre@rialtousd.org

Sincerely, Mrs. Hutchens and Mrs. Punchur
