

# EXPANDED LEARNING OPPORTUNITIES PROGRAM AFTER SCHOOL ENRICHMENT COMMUNITY SURVEY

## STUDENTS - PARENTS/GUARDIANS - STAFF

As a part of the CA State Budget, the Expanded Learning Opportunities Program (ELO-P) has been established to provide funding for afterschool, non-instructional days and summer enrichment programs for transitional kindergarten/ kindergarten through sixth grade students. The goal is to develop programs that are student-centered, results driven, include community partners, and complement, but not replicate, learning activities in the regular school day and school year. Your responses to this survey will assist RUSD with implementing programs that are robust and target the needs of our students.
