

**ADOPT RESOLUTION NO. 16-17-35
EDUCATION PROTECTION ACCOUNT**

June 7, 2017

The voters approved Proposition 30 on November 6, 2012. Proposition 30 added Article XIII, Section 36 to the California Constitution. The provisions of Article XIII, Section 36(e) create in the state general fund an Education Protection Account (EPA) to receive and disburse revenue derived from the increase in tax rates that will be made available for transfer into the EPA this fiscal year. The school district shall have sole authority to determine how the monies received from the EPA are spent in the school or schools within its jurisdiction. The monies received from the EPA shall not be used for salaries or benefits for administrators or any other administrative cost.

The expenditure plan for FY 2017-18 is being presented to the Board of Education so that the expenditures can be appropriately applied to the EPA on the financial system before the end of the year. Due to the annual requirement for Board action, and the fact that EPA apportionments will not be certified until late in the 2017-18 fiscal year, this is only an estimate of the EPA revenue.

It is recommended that the Board of Education adopt Resolution No. 16-17-35 which approves the plan to spend the monies received from the Education Protection Account (EPA) on Instruction.
