EDUCATIONAL STUDY TRIPS AND LOCATIONS

August 24, 2016

The Board of Education shall annually review a list of locations for authorized study trips submitted to the District Office for consideration of placement on the list. Sites may also submit "one-time" requests for custom trips not placed on the District-approved list.

The following guidelines have been established for educational study trips:

Transportation for approved educational trips is free of cost to students.

B. Whenever a District employee drives students on school related business, a District-owned vehicle must be used, if available. Employees may drive students in their own car on school-connected business only with prior approval of the Superintendent or designee.

C. No group shall be authorized to take a study trip or excursion if any student who is a member of such group will be excluded from participation because of lack of funds. The administration may coordinate efforts by community service groups, clubs or other organizations to supply funds for students who need them. (Education Code 35330)

In some cases, fingerprinting is required for parent/guardian chaperones or community members.

It is suggested that the trips requiring admission or other costs be financed by the Associated Student Body (ASB), Parent Teacher Association (PTA), Parent Teacher Organization (PTO), or fund-raising activities. Further, any special requirements for lunch or rest stops will be included in arrangements for the trip.

Visual and Performing Arts - Performances

Study trips that reinforce the "Arts," sometimes are not on the Approved Educational Study Trip List, not scheduled in a timely manner, or are of such a specific or short-term nature that inclusion on the Approved Educational Study Trip List directory is inappropriate; therefore, the following approval process is sanctioned:

First Step: Check the location for appropriateness of student use, i.e., safety, restroom availability, transportation access, snack/meal areas (if applicable).

Second Step: Many of the locations present "Arts" performances or displays that suggest age or grade-level groups. Recognized authorities should suggest grade levels for student participation only, such as County Offices of Education, School Districts or City Governments. Verification is necessary.

Third Step: Once conditions of steps one and two are satisfied, attach a copy of the flyer or announcement with the transportation request and the Study Trip Approval Form to the District Office for approval consideration.

It is recommended that the Board of Education approve the *Educational Study Trips and Locations* for the 2016-2017 school year.

Submitted by: Edward D'Souza, Ph.D.

Presented for Board Action: Cuauhtémoc Avila, Ed.D.

SPECIAL CLASS FIELD TRIPS - Approved conditionally for grades K-12

Retirement Home/Hospitals (shut-ins) – facilities for persons who are terminally ill, seriously incapacitated, suffering a long-term illness, or cared for institutionally (aged) are appropriate visitations as community service. It is felt that these trips are value-building experiences for all Rialto students.

THE FOLLOWING LOCATIONS ARE APPROPRIATE FOR K-12 STUDENT USE:

- 1. Aquariums
- Auditoriums: Professional auditoriums (examples: Los Angeles Music Center, Dorothy Chandler Pavilion, Bridges Auditorium, Shrine Auditorium, Sturges Center, etc.)
- 3. California Amusement Parks: (examples: Disneyland, California Adventure, Knott's Berry Farm, Six Flags Magic Mountain)
- 4. Elementary, Middle and High schools
- Government Buildings: federal, state, county, regional, city; (examples: museums, libraries, police and fire departments, post offices, etc.)
- 6. Missions
- Newspaper offices
- 8. Parks: national, state, county, city, regional
- Professional & Semi-professional Sports Arenas/Stadiums; (examples: Angel Stadium, Dodger Stadium, Quakes & Sixty-Sixers baseball fields, etc.)
- 10. School Club Competitions
- 11. Theatres: Performing Arts and Community Theatres
- 12. Universities: All state universities, facilities of higher learning and colleges, (examples: museums, theatres, planetariums, campus tours, etc.)
- 13. Zoos

Any reasonable, accessible place where parents work; supermarket, restaurant, bank, business (to do with careers)
