Fiscal Services

Payroll Bulletin 16-005

DATE: April 6, 2016
TO: All Employees
FROM: Sharon Faria, Payroll Specialist *SF*
SUBJECT: Leave Types

As we approach the end of the fiscal year, many employees have used their allotted hours of specific Leave Types. This is a reminder of what Leave Type days are available to you each fiscal year per your REA/CSEA contract.

	Certificated	Classified
Family Illness	6	6
Personal Necessity	8	7
General Leave	2	0

Absence Affidavits inform you of your absence Leave Type, Bank from which the hours are deducted, Limits Remaining, and Bank Balances.

Once the days available have been exhausted, the hours will go into "Excess Use". Excess hours will appear on your Absence Affidavits for your acknowledgement. Excess hours will result in your pay being docked.

Please review your Absence Affidavit prior to signing your approval. If you have a concern, please speak to your administrator before signing. At that point, administrators can verify a necessary change, correction, or adjustment. Once the affidavit is accurate, both you and your administrator will sign the approval of the Absence Affidavit.

The Absence Affidavit that has been approved by both parties and submitted to Payroll will be posted. Once an Absence Affidavit has been posted, the Absence Affidavit cannot be altered.

You may view your Leaves and Banks from the same website in which you may print your paycheck stubs. Log on to Best Net Employee Self Service website by clicking on the following link <https://employeeselfservice.sbcss.k12.ca.us/login.aspx> This link is also available on the District's website.
