School Site Council (SSC)

School Site Council is an elected school and community body that determines the focus of the school's Title I program.

The Title I Program provides financial assistance to local educational agencies (LEAs) and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards.

The SSC makes important decisions on how to improve student achievement and how to best use restricted categorical funds within the Single Plan for Student Achievement (SPSA).

20 members:
1 principal
3 other staff member
6 classroom teachers
5 parents or community members
5 students

African-American Parent Advisory Council (AAPAC)

AAPAC is an advisory council for African American parents. It serves as a tool for parents to be empowered in the decision making process and to be advocates for their children's success.

AAPAC advises the school on:

- The school's Academic Plan and budget.
- Issues specific to academic achievement of African-American students.
- Ways to engage/increase parent participation.
- Developing goals and objectives specific to each school site as it relates to Targeted Instruction Improvement Policy.
- Meets on a regular basis (monthly meetings are recommended)

Elections are held in September for two years, parents of Black/African-American students elect parent members of the AAPAC.

English Learners Advisory Committee (ELAC)

ELAC is an advisory committee for parents of English Learners.

It advises the principal and staff on programs and services for English Learners and the SSC on the development for the SPSA.

It serves as a tool for parents to be empowered in the decision making process.

The council should constitute of parents of English Learners, parents/guardians, school staff, and/or community members.

Coffee with the Principal

Parents and community members are invited to join us for a warm cup of coffee and to receive the latest news and events on campus. It is also a time for parents to hear about instructional programs, gain strategies to assist their children, as well as ask questions and/or share concerns that will positively impact student academic achievement.
