

RIALTO UNIFIED SCHOOL DISTRICT TYPES OF TRANSPORTATION

CORNER TO CORNER

Least Restrictive

Students that qualify for this type of transportation are picked up from and are dropped off at a designated stop close to their home address. This is the least restrictive type of transportation.

WHO IS ELIGIBLE?

***STUDENT QUALIFIES PER IEP**

***504 PLAN**

SCHOOL TO SCHOOL

More Restrictive

Students that qualify for this type of transportation are picked up from their home school in the morning and are dropped off at their home school in the afternoon.

WHO IS ELIGIBLE?

***STUDENT QUALIFIES PER IEP**

NOTE: Students that are overflowed/displaced from their home school will be offered school to school transportation for the current school year or until they return to their home school.

CURB TO CURB

Most Restrictive

Students that qualify for this type of transportation are picked up and dropped off at their home address/place of residence.

NOTE: Buses are not permitted to enter private property or any street that is deemed unsafe. Example: Apartment complexes, mobile home parks, gated/private communities, dirt roads, cul-de-sacs that do not allow the driver to make a safe U-turn, etc. In such cases, the student will be assigned a safe stop as close to their place of residence as possible.

WHO IS ELIGIBLE?

***STUDENT QUALIFIES PER IEP**

***504 PLAN**

NOTE: Students will be provided curb to curb transportation when a doctor/physician deems it necessary.
