### GENERAL INFORMATION

This year summer school will be **100% online** through distance learning using google classroom. All classes for 10-12 students will be credit recovery classes.

Students may enroll in one or two classes depending on their specific needs. Students may enroll in both 1<sup>ST</sup> semester and 2<sup>ND</sup> semester. If more than two classes are needed, students can talk to their counselor in order to be enrolled in APEX Credit Rec. classes.

All summer school courses are offered contingent upon authorization and funding by the California State Department of Education. The Rialto Unified School District reserves the right to cancel any or all course offerings.

District and school site rules apply for all students attending summer school classes. Unacceptable behavior may result in removal from summer school classes.

### ACADEMIC CLASSES – GRADES 9 -12

Students are getting 5 hours of exposure to the curriculum each day for 9 days per semester (hours of instruction might vary by teacher).

**2 Hours of instruction in the AM**

**1 Hour break**

**2 Hours of instruction in the PM**

**1 Hour of homework**

Teachers will be providing 1 hour of virtual office time per day.

Attendance:

- If students do not log in on the first day of class, **they will be dropped.**
- Students **must** attend 1 hour of the live session per day.
- After missing 5 hours of the synchronous (live) session, students will be dropped. (5 days)

The last day to drop a class and not receive a grade for 1<sup>st</sup> Semester will be June 11, 2021. The last day to drop a class and not receive a grade for 2<sup>nd</sup> Semester will be June 24, 2021. Students who do not complete the academic summer school may forfeit future summer school enrollment opportunities.

Textbooks will be distributed on 6/7 from 9-12 in the MPR.

**This year summer school is highly recommended for students who:**

- a. Are seniors who need fifteen (15) semester credits, or fewer, in order to earn a diploma prior to September
- b. Are credit deficient for graduation
- c. Have failed classes and are in need of remediation
- d. Incoming 9<sup>th</sup> grade students taking Math 2 Honors in the fall.
