I understand the policy of the Rialto Unified School District's Transportation Services Department is as follows:

An adult must be present to pick up **kindergarten** students when the student is dropped off at the home bus stop. It is the District policy that a bus driver will **not** release the child from the bus if an adult is not present to receive the child.

_____ My child needs supervision when he/she gets off the bus. The following person or persons has/have my permission to receive my child at the bus stop.
Designated person must present ID. Must be 18 years and over.

Name (Print)	Relationship	Phone No.

_____ Parent/Guardian Name (Print) Signature Phone #
