### DEFINITION

As part of a secondary teaching assignment, teaches one or more classes of JROTC to pupils in grades 9-12, and assists in other school programs as assigned. This is a Marine instructor's position. It requires a Marine Corp commissioned or non-commissioned officer who possesses a valid standard designated subjects teaching credential in ROTC and who has been certified as a high school ROTC instructor by the Marine Corps ROTC through any of the ROTC Regional Headquarters.

### ESSENTIAL DUTIES

- Administer and manage the JROTC program effectively according to law, regulations, policies, and principles.
- Actively recruit students to join JRTOC.
- Achieve desired learning goals by teaching prescribed JROTC subjects listed in the Program of Instruction.
- Maintain proficiency in military subjects taught.
- Modify and improve given instruction by remaining continuously alert to new and alternative instructional methods and motivational techniques.
- Maintain arms (inoperative) and supply facilities in strict compliance with Marine Corp security regulations.
- Comply to the letter with Marine Corp and school district safety guidelines in all instances when instructing, supervising, monitoring, accompanying, or escorting cadets.
- Insure facilities provided are adequate to support program.
- Prepare unit for formal inspection.
- Counsel cadets on their performance within the Corp of cadets.
- Conduct a public affairs program directed at school and community to further enhance understanding of the JROTC program.
- Conduct training at JROTC summer camps and other duties as prescribed by camp commander.
- Assist cadets in applying for Senior ROTC scholarships and service academy appointments.
- Set the appropriate example in decorum and cooperativeness positive attitude and consistency for cadets and colleagues.
- Organize, develop, and administer the JROTC program in assigned schools.
- Prepare and maintain administrative and support reference materials required to be available in the school.
- Draw, maintain, and account for all property issued to the school; ensure sensitive items of equipment are secured.
- Organize, supervise, and develop extracurricular activities to include color guard, drill teams, rifle teams, orientation teams and special programs.
- Assist in the review, organization, and implementation of all technical data required to develop a military curriculum.
- Perform the duties of a classroom teacher (JROTC curriculum).

### Other Duties and Responsibilities:

- Selects and requisitions books, instructional aids, and instructional supplies and maintains required inventory records; may request resource speakers and field trips.
- Communicates with parents and school counselor to discuss the individual pupil's progress.
- Supervises pupils in out-of-classroom activities during the assigned working day.
- Participates in curriculum and other developmental programs within the school of assignment and/or on a District level.
- Maintains student records as prescribed in the Marine Corp regulations and local policies.
- Participates in intra-school planning and communications by working with the building administrators in the development of school policy, school needs, budget development, student affairs, and other areas related to the overall education programs, through serving on faculty council, etc., when elected or jointly chosen by staff and Principal.
- Other duties as assigned by the Principal.

### QUALIFICATIONS

#### Knowledge of:

- JROTC program policies and regulations.

**Ability to:**

- Identify pupil needs, and cooperate with other professional staff members in assessing and helping pupils solve health, attitude, and learning problems.
