(cf. 6145.5 - Student Organizations)

The Superintendent or designee shall determine the appropriate use of school facilities and grounds. Other uses authorized by the Board shall be subject to the same conditions as those set forth in this policy.

For the effective management of school facilities and grounds, the Superintendent or designee shall maintain procedures and regulations that shall be subject to the same conditions as those set forth in this policy.

1. Aid, encourage, and assist in the use of school facilities and grounds for community purposes.
2. Preserve order in school facilities and grounds, and supervise this talk, if necessary.

(SB 1404, Section 1(6)(b))

Funds collected under this subparagraph shall be deposited into a special fund that shall only be used for purposes of this section. (SB 1404, Section 2 (II)(iii))
